Military Spouse Appreciation 2022

Have you ever stopped to ponder why people smile? Sometimes we are asked to smile for a photo or given a directive to "Have a nice day", but other times we smile because something in our soul connects with an experience to such a degree that the atmosphere around us completely changes. Whether is it enjoying a margarita, reflecting on a memory book, or even embarking on scientific discovery, our team strives to build moments of wonder, glee and satisfaction into every experience we create.

The Petersburg Home for Ladies Board of Directors is made up of women of influence. The blending of life experience, education and a little southern charm creates a dynamic of unparalleled possibility.

The month of May marked a beautiful transition as Mrs. McClure passed the responsibility of Board President to her successor Mrs. Finney. We celebrate the wisdom, tenacity and grace of these fine leaders.

Celebrations that replicate the beauty captured within the moments of our lives, are what Birthday Luncheons are all about. They are a time for fellowship, reflection and joy. Within these cherished occasions our ladies are honored by our Board members and administrative team while sipping wine in our Garden Room and savoring a hearty meal with their loved ones. It is the story of each individual that makes these milestone events a true treasure.

Special thanks to our Board of Directors for making our Birthday Luncheons memorable.

Caring does not stop when the shift is over. It is a lifestyle chosen by those who, from a place of simplistic altruism, serve those around them. To our nursing team we would like to say, “You Are Sunshine!” Everyday you provide healing, elation and reassurance to those you care for. Petersburg Home for Ladies is privileged to have such a fine nursing team. Happy Nurses’ Appreciation!

The celebration of Easter is a reminder of beauty which can be discovered hidden underneath the seasonal changes of life. A special visit from the Easter Bunny made this years’ celebration all the more festive.

Resident Council President Mrs. Lewis connects with other ladies to initiate our month long food drive!

Whether a song that connects to our hearts, or the drive to serve our community, impactful moments happen every day. After completing our annual Fellowship Sale, our ladies have purposed to collect food for a local pantry. Inspired by the efforts of Red Nose Day, our ladies have embarked on a month long food drive.

Creativity and a “green thumb” make our outdoor living areas blossom with beauty. From miniature succulent gardens, the fron-filled foliage of herb beds or perennial dahlia blooms to raised beds heaped with portulaca and other delicate annuals, our ladies’ garden club is an integral part of our outdoor landscape.

Mothers’ Day is always a special day and becomes all the more sacred when honoring the matriarchs of multiple generations. We thank our ladies for being those who have sculpted culture, invested in their communities and scripted the history of their homes, all while kissing scraped knees, finding the right encouraging words and believing in their legacy. Happy Mothers’ Day.

“...they abounded in the joy of living, of a story well told or a game well played, of friendship, of laughter, of family, and of their God.”
