National Pharmacist Day

On a snowy day in December 1958, residents moved into the newly constructed Jefferson Street building. 65 years later we are excited to announce that building renovations will soon be underway to further enhance the beauty of our Home. This year you can look forward to major renovations in our reception areas, as well as new windows in every private residential dwelling.

Wisdom For The *New Year*

Our vision statement of “Elegant Living With Exceptional Care” is the standard against which each of our processes is measured. In this new year, we will salute the fortitude a dedication of our team, rally behind the aspiration of our residents and continue to engage with our mission, as the threads of our past are skillfully woven into the fabric of our future. Petersburg Home for Ladies would like to wish you a happy new year, filled with hope and abounding with vision. May this fresh chapter of life unfold with the same blessings we have known while taking all of us through new experiences which will challenge, encourage and satisfy.

Since our inception in the year 1925, Petersburg Home for Ladies has remained true to the mission of satisfying the human need for security, companionship, care and love, and being an agent of blessing to all whom we touch. In this upcoming year, we will continue to fulfill these commitments. But, that in no way means that this is simply another year of business as usual. From party lines, to social media posts, Petersburg Home for Ladies has seen almost 98 years of evolution. Though our mission never changes, the methods used to implement our mission are reinvented year after year.

The mystery, anticipation and joy which accompanies a birthday celebration is timeless. Laughter, smiles and the type of comradery that only exists among old friends is the hallmark of these cherished moments. With special thanks to our Board of Directors for their support, we wish happiness and blessing to all of our winter birthday ladies.

It is truly a pleasure filled moment to gather around an instrument to sing songs of both reminiscence and worship. Thank you West End Baptist Church for a great evening of music.

Our ladies, caregiving team and activities staff enjoyed an outing to local attraction “The Blue Willow Tea Room” in Old Towne Petersburg. Reminiscence places smiles on every face.

Another great outing was our trip to Crackle Barrel. From rocking chairs to chicken and dumplings, the country style homecooked feeling welcomed everyone.
