PETERSBURG
Home for Ladies

Our "Ladies' Home" Journal

Celebrating 98 Years

It's a time for friends, and a time for families, to gather in celebration. Of the many traditions of Petersburg Home for Ladies, the Birthday Luncheon may rank as most esteemed. While we embellish with fresh flower arrangements and displays of buttercream frosted cupcakes, it is the celebration of memories, the laughter of families and the joy of fellowshipping with one another that cause these occasions to be set apart. From polished silver to place cards, these moments reflect the ornamentation of a bygone era and our team takes pride in crafting special moments for each of our ladies. As the song of "Happy Birthday Dear Ladies" echoes through the dining room one can truly feel the love that is shared by all.

Our ladies thoroughly enjoyed watching the students of Saint Mark's Preschool searching for eggs both in Magnolia Gardens and in our Memorial Garden. Our ladies love to host community groups and are especially thrilled when children are involved!

It is Springtime at Petersburg Home for Ladies! We look forward to spring planting, working with our pollinator garden and discovering new things about the wonders of the outdoors! Would you like to volunteer to help with our herb gardens of spring planting? Reach out to Activities Department by calling 804-862-0663 

We are grateful to the many local churches who support the spiritual culture here at Petersburg Home for Ladies. Whether it be through music ministry, Bible study, or simply through fellowship, congregants from our local churches make a huge difference in the lives of our ladies.

Saint Patrick's Day Shenanigans

Croaker Spot

Sometimes the best outings might be right around the corner. Our ladies enjoyed fun, food, filled excursions to local favorites Mad Italian and the Croaker Spot.

Hippity Hoppity Easter's on its way!

In our celebration of the Easter season we enjoy visits from our local clergy who help us to honor Christian traditions in celebrating the resurrection. We also enjoy the childhood enchantment of visits with the Easter Bunny. This year we were fortunate enough have our Assistant Fire Marshal join in the fun.

Music Warms The Soul

Our ladies love a good joke, a story well told, and live musical entertainment! Nothing can reach as deeply into the human soul as a well crafted song, and our entertainers are up for that exact challenge. Our musical performers touch hearts and inspire memories with every note they play.
